Public Evaluations

At Demartek, we are very busy testing and researching a variety of new technologies in our on-site lab. New reports will be available soon.

Recent Articles

[Demartek Article on Solid-State Storage](#)

Dennis Martin, Demartek President, has written an article making the case for solid-state storage. Interest in solid-state storage is high, and with a variety of solid-state implementations available and newer technologies emerging, it's time to take a serious look at how solid state could enhance your storage environment.
