[Demartek Commentary on CES 2016](#)

This year's CES was the largest ever, with 3800+ exhibitors, 2.47 million square feet of exhibits, 170,000+ attendees and more than 6000 members of the news media. In addition to smaller storage form factors with more memory, the likes of drones, smart watches, 8K displays and 360° cameras were seen. Check out Dennis Martin's full commentary now!

[Demartek Evaluation - Lenovo Storage Array S3200](#)

Lenovo commissioned Demartek to evaluate the Lenovo Storage S3200 storage array as the storage system used for a variety of workloads. Three separate reports provide our evaluation for three workloads including Microsoft Exchange Server, Microsoft SQL Server and a mixed workload of multiple applications. Read the full report to get all the information.

Top Ten Demartek Pages and Reports

We list the top ten most popular pages and reports for the last four weeks, updating every Monday morning. Here's how it looked on our website on January 11th:

Word from the President

2016 looks to be an exciting year for our industry and for us. We're eager to test some of the new technology expected to arrive this year and discuss it with you.

We wish you a happy and prosperous new year!

Dennis Martin, President, Demartek
