Word from the President

We continue to have the opportunity to test a variety of interesting technologies, and this month's newsletter shows a couple of recent examples.

We are thankful for the opportunity to work in an ever-changing, fast-paced industry and the opportunity to learn new things on a regular basis. We don't ever want to take that for granted. We truly do appreciate working with many fine people in this industry, including you who read this newsletter. We hope that you take some time off to enjoy time with family and friends over the upcoming Thanksgiving holiday.
