[Demartek Rolls Out Plans to Offer Energy Efficiency Testing](#)

The framework of today's business environment is constantly changing, and the IT industry, specifically enterprise computer storage, is no different. Big changes are on the horizons for how data centers measure power efficiency and in the coming years it will be increasingly important to be on top of the energy efficiency testing movement. Demartek is rolling out plans to test energy efficiency in data centers and will soon be providing this service to the public. To learn more about upcoming opportunities, click the image below.

Demartek Lab Notes – August 2013

Demartek Speaking Events

[Demartek Discusses SSDs at Storage Decisions Conference New York in September](#)

Dennis Martin, Demartek President, will present two sessions at Storage Decisions New York in September. These sessions include:

- September 16, 9:00am-10:00am: [Solid-State Storage is Everywhere - But Where Does It Work Best?](#)
- September 16, 2:00pm-3:00pm: [Solid-State Technology - What's New?](#)

To get all the info and to register for this event, visit the [Storage Decisions](#) site.

[Demartek to Present at SNW USA in October](#)

In October Dennis Martin will be presenting three sessions at the Storage Networking World Conference in Long Beach, CA. These sessions include:

- October 15, 10:30am-11:10am: [I/O Virtualization - The Next Virtualization Frontier](#)
- October 15, 3:00pm-3:40pm: [Analyst Perspective and Test Lab Report: Using File Server Protocols for Block-Based Storage Workloads](#)
- October 17, 10:30am-11:10am: [Solid State Storage Performance Comparison: SSD Cache Performance](#)

To learn more about this event and to register, visit the [Storage Networking World](#) site.

Top Ten Demartek Pages and Reports

We have a feature on our website that lists the top ten most popular pages and reports for the last four weeks, updating every Monday morning. Here's how it looked on August 12th:

1. [Demartek SSD Deployment Guide](#)
2. [Demartek Storage Networking Interface Comparison](#)
3. [Demartek Presents Robocopy at March 2011 RMWTUG Meeting](#)
4. [Demartek News and Reports](#)
5. [Demartek Publishes Exchange Server 2003 vs 2007 vs 2010 I/O Comparison Summary](#)
6. [Demartek SSD Zone](#)
7. [Demartek Low Latency Evaluation of Fibre Channel, iSCSI and SAS Host Interfaces](#)
8. [Demartek Lab Validation Testing](#)
9. [Demartek Commentary - Horses, Buggies and SSDs](#)
10. [Demartek Adds 220v Capabilities to Testing Lab](#)

Be sure to check back every Monday to see which reports have made the Top Ten List. The [current top ten list](#) can also be viewed on the Demartek website.

Demartek Lab Notes – August 2013

Word from the President

I spent a few days at the Flash Memory Summit, participating in panel sessions, viewing new products and meeting with many people. Our industry continues to be an exciting one. Many of these newer technologies highlight the need to be more efficient with power consumption, which is why we are now performing energy efficiency testing for storage systems. We would be happy to discuss this with you. Have a great end of summer!

Dennis Martin, President, Demartek
